## A FEW WORDS ABOUT PRIME 8's

BY KRIS CORBRIDGE

For those of you not familiar with Prime 8's, it is a gay square dance club that dances at the Plus level. As our club is still young and growing, all business is conducted by the group as a whole with smaller committees appointed as needed.

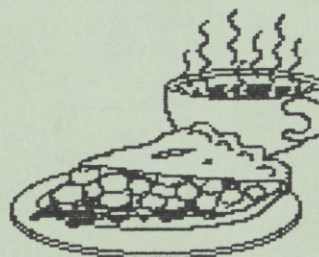

Prime 8's does not host social functions. Most of our members are active Capital City Square dancers, and because social functions serve the purpose of bringing together dancers at all levels, Capital City Squares' social events more than meet this need.

We dance every Monday night at William Land School (12th and 'U' streets) from 7:00pm to 9:00pm. We are presently workshoping all-position plus level dancing and plan to go on to the A-1 level in the very near future. Any dancer who can demonstrate competent all-position Plus level dancing skills is welcome to join us!

## COMING EVENTS FOR THE MONTH OF DECEMBER

- Dec. 15 - CCS Dance Night at David Lubin School

8:15 - 10:30 Mainstream/Plus

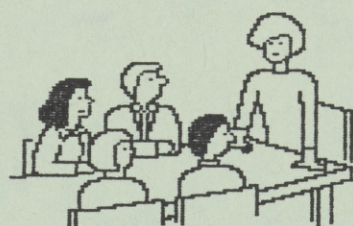

This month's underlying theme must naturally be associated with various types of food, as Thanksgiving approaches.

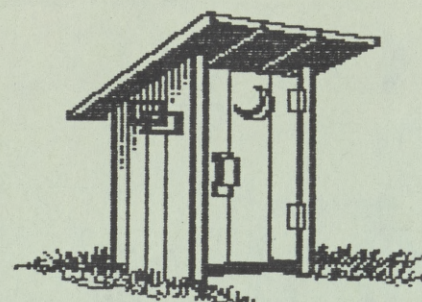

Last month the editorial staff made a blunder. We mis-spelled the title to the Prime 8's square dance club. We regret this mistake, and hope that it has not caused any embarrassment.

Well, it's time for another newsletter, and nobody seems ready for it. The entire staff was absent last week, for varying reasons, and missed the last board meeting and one dance night. Now we are attempting to tell the membership what happened, and have very little to work with.

The Board meeting minutes are the only source of information available to us this month. The newsletter staff feels somewhat frustrated.

These minutes can be an effective vehicle for passing on information about the club and it's activities. Therefore, the business covered in the board meeting should be comprehensive and detailed, and the minutes should reflect this level of complexity.

We feel that this is a goal that the board should work toward, in upgrading their operation and general communication to the club.

Although we are trying to inform the membership of coming events in the dance community, it doesn't always happen as easily as we would hope.

We urge the club members to ask to see the information and flyers sent to the club, every week at dance night. We do not always have access to them, or they arrive after the newsletter deadline (the 13th of the month), and we are unable to report on them.

We again encourage the writing of articles for the newsletter, by all of the members, whether they be full editorials or a couple of paragraphs (maybe about how you enjoy square dancing!).

We will all enjoy the club more if we are able to share information about square dance activities, and participate more fully.

UPDATED BY M. SILVA AND R. BEDDOW

## IMPORTANT NEWSFLASH: JOLEEN FINDS HER NAILS AND LOSES HER PERIOD!

We are sorry to report that Joleen has been so distraught at the loss of her period, that she hasn't been able to eat in days (morning sickness?). She hasn't been able to muster the strength to grasp her feather quill, to pen her "Whispers" this month.

How can a girl write a sensible sentence without a period?

She hasn't even had the presence of mind to be able to focus on anything else, since she discovered her loss (or gain?).

The newsletter staff would like to send our condolences, and hope to hear what Joleen has to "dish" next month.

---

## NOVEMBER POTLUCK

Terry Holme has allowed us to use his home, this month, for our next potluck.

So, on November 21st, plan to bring a dish, and have some fun with the club. Maybe we'll even be able to dance!

We'll be partying from 7 to 10:00pm, but start early to allow for finding the house, and not missing anything!

See the map on the back of this page.

## DECEMBER HOEDOWN AND POTLUCK

Since so many things are happening for the holidays, the club will be ending the month early (See the calendar).

In order to celebrate the holidays, there will be a combination Hoedown and Potluck on Dec. 12th.

It will be at the Senior Citizen Center on 27th Street (between T and J street).

The caller will be Vicki Woods, and the good times will start at 7pm and go until 10pm.

Don't miss this last club social event of the year! Let's show Northern California that Sacramento can party down!!!
